Prior Work Experience:

- Strata Pathology Services / StrataDx, Lexington, MA (Associate Director of Dermatopathology)
- CBLPath, Rye Brook, NY (Staff Dermatopathologist)

Areas of Expertise in Podiatric Pathology:

Onychomycosis, tinea pedis, verrucae, melanocytic neoplasms (including acral nevi and melanoma of skin and nail unit), eczematous dermatitis, psoriasis, lichen planus, tumors, cysts, gout, and bone pathology

PODIATRIC PATHOLOGY

Services Provided:

- PAS (Periodic acid-Schiff) stain for rapid diagnosis of onychomycosis in nail biopsies and tinea pedis in skin samples
- Reflex to GMS (Gomori's methenamine-silver) stain for negative cases (optional)
- Fungal culture available upon request
- Routine histologic evaluation of warts, pigmented lesions, dermatitis, cysts, gout, and other growths of skin, nails, and bones of feet

The Tripoint Difference:

- Physician-owned and operated independent laboratory with concierge-like service
- All specimens “grossed” by an ASCP-certified Duke University-trained Pathologists’ Assistant (each having a Master’s degree in Health Sciences)
- 24-hour turnaround time (or within 1 business day) after date of receipt for nails and routine specimens
- Easy-to-read pathology reports with emphasis on accuracy and clarity in diagnosis
- Malignant diagnoses reported in “red”
- Phone call to clinician for melanoma, unexpected malignancies, and other time-sensitive diagnoses
- Pictures (photomicrographs) with captions on reports if desired
- Diagnoses explained and treatment recommendations provided when applicable
- Results via Tripoint web portal, hard copy, fax, secure email, or EMR connectivity
- Direct access to pathologist, available 24/7 to discuss results or concerns
- Specimens transported to lab by either in-house courier (on-call), business reply mailers for dry nail specimens (USPS), or FedEx
- Dedicated account manager assigned to your practice
- Readily accessible office manager available during business hours
- Most commercial insurance plans as well as Medicare and Medicaid and self-pay patients are accepted
- Compassionate billing
